THIS IS A CALL TO GO BACK TO EARTH! TO RECONNECT AND REBUILT

Join us for our beloved annual gathering, taking place this year on May 24-25.

In its fourth edition, BACK TO EARTH will once again be hosted by Özgün Akbayır, founder of Grandma's Wonderland, and curated by Natalie Garih, founder of Smarana Healing.

Over two soulful days, we will ground ourselves in nature, nourish the body and spirit, and reconnect with what truly matters. The experience will be elevated by open-fire lunch and vineyard dinner crafted by Buğra Özdemir, the chef behind our Green Michelin-starred restaurant, the BARN.

This is a homecoming.
A return to the essence.
Ready to be back?
