BEVERAGE MENU

TRAKYA ŞARAPLARI

Türkiye'nin en eski şarap bölgesi Trakya'dayız.

Üç deniz arasında kök salan bu bağların yapısı her parseli kendi karakterini verir.

26 yıllık bağımızda kil, başka parsellerde kireç, kum ve kuvars konuşur;
Trakya'nın sıcak günleri üzümün şekerini, serin geceleri asitini dengeler....

Avrupa'nın bağlarını yokeden flogksera salgınında Trakya'nın bağları da yok olmaya yüz tutmuştu. Atatürk'ün emri ile bağlarımız da Cumhuriyet gibi küllerinden doğdu.

Köklü aile işletmeleri ve 1990'larda bağlarını kurmaya başlayan tutkulu üreticilerle Türkiye'nin ilk bağ rotası kurulmuş oldu.

İşte bu listede yalnızca o rotanın şarapları var.

Bölgeye mükemmel uyum sağlayan Bordeaux kupajlarının yanında yerel türlerden Papazkarası, Karasakız, Kınalı Yapıncak ve Narince güçlü yer tutuyor.

Büyük işletmeler, butik üreticiler; otuz yıllık bağlar, yeni parseller bir arada. Organik bağlar, onarıcı tarım uygulamaları, elle hasat, meşe fıçı, çelik tank, vahşi maya... teknik çeşitliliğiyle liste her yıl ödüllerle büyüyor.

Ve Grandma's Wonderland'de 10 yıldır gururla, yalnızca Trakya şarapları servis ediliyor.

THRACIAN WINES

We are in Thrace, Turkey's oldest wine region.

Cradled between three seas, the structure of these vineyards give every parcel its own character.

In our 26-year-old vineyard, clay speaks; in other parcels, limestone, sand, and quartz do. Thrace's warm days ripen the grape's sugar, its cool nights balance the acidity...

Phylloxera devastated vineyards across Europe, and Thrace's vines nearly met the same fate. By Atatürk's order, our vineyards were reborn from their ashes, just as the Republic was.

Rooted family businesses, together with passionate producers who began planting in the 1990s, established Turkey's first wine route.

This list holds only the wines of that route.

Alongside Bordeaux blends that have found a perfect home in the region, native varieties Papazkarası, Karasakız, Kınalı Yapıncak, and Narince hold strong ground. Large houses, boutique producers; thirty year old vines, newly planted parcels... all side by side.

Hand harvest, oak barrel, steel tank, wild yeast...

This technical diversity grows the list a little more each year, with new awards.

And for 10 years, Grandma's Wonderland has proudly served only the wines of Thrace.
